[redacted] ED CERNEY,
GERTRUDE ADLER, [redacted] and one man I am not quite sure
of his name but I think it is [redacted] opened
the meeting by calling for nominations for chairman.
ELIZABETH NICHOLAS was nominated. The agenda consisted
of a report from the acting chairman [redacted] which took an
hour. A report by MIKY LIMA who was there from the state.
He emphasized that the Party is in a very serious crisis,
that no one is sure yet what will be the outcome. He gave
me the feeling that he felt that the membership in Santa
Clara co. did not realize just how serious the situation is.
[redacted] gave a short report on the Peoples' World and asked
that the quota be made 1750.00 instead of 1500.00 for the
past drive. I think that a little over 1600.00 has been
collected. The quota was accepted. FRANCIS FINK gave a
report on the trade union committee. I think I sent you
a copy of their report. There is to be a report of the
meeting mimeographed for the clubs. When I get it I will
send you one. The county com. had requested the clubs to
turn in nominations for the county com. at this meeting but
so far only one was turned in. They want a county com. of
ten and four alternates. I have my doubts that they will
get that many."

INTERNAL SECURITY - C *located 9/18*
SMITH ACT OF 1940 *NY*

All continental offices have been directed by the Bureau (Bulet to Albany dated August 24, 1956) to contact confidential informants and sources to determine whether they have any information concerning the whereabouts of missing Smith Act subjects BENJAMIN COHEN or HENRY EDWARD ARON.

A photograph of each of these individuals is attached to this memorandum.

It was not desired that special contacts be made with informants and sources but on the next regular contact, they should be questioned for any information which might be of value in locating these subjects. Each Special Agent to whom this memorandum is directed will please contact the confidential informant indicated and make such inquiry.

It is requested that the results of these contacts (including negative information) be indicated in the space provided under "Results of Contact" on the memorandum and that it be returned to SA HAMILTON as soon as possible.

BENJAMIN COHEN

COHEN was a Communist party (CP) functionary in Indiana from 1945 until February 1952 when he disappeared. Just previous to his disappearance, he worked as a laborer and a punch press operator under the alias JAMES NELSON. He is married to Edna Cohen and has two children, [REDACTED] whose name is not known. From February 1952 until May 1956, no definite information was obtained as to the location of COHEN.

On May 19, 1956, the COHENS were located living with MRS. COHEN's parents, Mr. and Mrs. FRANK FRIED at 21 Wellesley Avenue, Yonkers, New York. They left this address on approximately June 10, 1956, at which time neighborhood sources said they were returning to their home in Indianapolis. Investigation has disclosed that they have not returned to Indianapolis although informants have advised that COHEN is expected to return to that city sometime in the near future. There is no indication that COHEN is presently in an underground status or that he is living under an alias. Indianapolis is office of origin in this investigation.

HENRY EDWARD ARON

ARON has been active in the CP since 1936. Following his graduation from Brooklyn College in 1935, he worked as a shoe clerk and a laborer in a machine shop. He became a paid CP organizer in 1937 and from that date until September 1950, he was paid CP functionary in Indiana with the exception of three years during which he was in the U. S. Army. He disappeared in September 1950 from South Bend, Indiana, and no definite information as to his whereabouts has been received since that date.

ARON has used the following aliases: EDWARD HENRY ARON, HANK ARON, HENRY MANN, HENRY E. EMMETT, HENRY ERNFELD and HENRY ERNFELD. Since his disappearance he was reported to be working in a jewelry store and as a bookkeeper. He is reported to be suffering from heart trouble which at one time required hospitalization.

ARON's wife, SYLVIA, was also missing until she was located living under her true name at 83-30 118th Street, Queens, New York. Investigation reflected that she resided at this address with her two sons, [REDACTED] [REDACTED] from January 1956 until June 23, 1956, when she moved. Her present location is unknown. Investigation did not disclose that HENRY ARON was living with his family in Queens but he was tentatively identified as the person who signed the rental lease for the family in January 1956. New York is origin in this investigation.

of the report reads as follows:

"I am to call a meeting of party members who

much against that action. He said that it
showed rotten leadership.) Things must be sort

communist party trying to stop the peace club.
I told them that I did not think that they
could have any control as it was still going because

Informant's note on the back of this leaflet reflects it was written by FRANCIS FINK to help the clubs concentrate on the canning industry. Informant explained that this is being circulated to the CP clubs in Santa Clara County as an aid to their concentration on the food processing industry. It is retained with Informant's notes under the above file number. Informant had no further information.

"Those attending the AL RICHMOND meeting held at the CERNEY's on May 25 were the FULLERS (San Jose), the FINKS, the GRAHAMS, the ALLEN ROSSes, the HARVEY RICHARDS, ELIZABETH NICHOLAS, [REDACTED] and [REDACTED], FRANK SCHNEIDER, KARL PRUSSIAN, [REDACTED], CARL MANNING, DORIS DAWSON, Dr. H. MAYER, ELLIOT WILSON, the [REDACTED] and [REDACTED]. I think that was all. The meeting was held to discuss the 20th. Congress of the C.P.U.S.S.R. There were many pointed questions asked and some written. One asked was why can we believe them now they are the same ones who were in power under Stalin?"

It was determined through interview with the informant that persons for whom copies are designated 1: were in attendance at this meeting. Informant stated that many pointed questions were directed at RICHMOND and that he was unable to answer most of them. Informant stated the questions were extremely critical of the leadership of the CP USA, but that RICHMOND had no defense. Other information furnished in this report is covered in separate memorandum.

"I went to [] this evening to give her some literature and we talked about Carl. She is worried because he is talking too much. It seems that the doctor told him that he had bottled himself up too much so now he is making up for lost time. And how I gather! The doctor he went to in Berkly is a Dr. Gordon. Helen too may have to take out a leave. It seems that his brother has not had anything to do with him for a year and his mother has refused to speak to him as long as he continues his political connections."

Attached to the written report was a copy of the leaflet mentioned in paragraph one of the written report. It reads as follows:

"THE CANNING AND PROCESSING INDUSTRY

"Serious attention is being given to develop an approach and a program in the canning and processing industry during 1956 to advance the interests of the workers in this industry. To start with, ties need to be established with these workers. As one step in this direction this fact-finding sheet was prepared.

"(In addition there are in preparation: 1.) an educational outline to heighten our understanding on the need to implement an all-round concentration policy, along with some practical proposals. This is suggested for use in all clubs; 2.) A more detailed description and analysis of this number one industry of Santa Clara County.)

"Note: a routine reply to the following questions would be of little help. We are interested not only in a compilation of statistics, but aim to stimulate interest in and center attention upon this industry.

- "1) How many members have in the past worked in Canning ☐ Frozen Foods ☐ Packing ☐ Dried Fruits ☐ Can Mnfctg. ☐ Other related ☐ In this country ☐ Elsewhere ☐ Women☐?

- "3) How many might be agreeable, but wish to discuss this more with someone from the county committee as to reasons, aims, importance, etc. of such a step.
- "4) Close contacts (members of family, readers of the press, former members, militants, etc.) of whom we are aware, who are in any way related to this industry?

"Last nite I went to the Palo Alto Peace Club meeting at the Community Center. I went with VALEDA BRYANT as my car was in the repair shop. BOB and DECCA TRUEHAFT were the speakers. They talked about their trip to Europe this summer. Mostly about their visit to Hungary. Those at the meeting were, VALEDA BRYANT, ALICE RICHARDS (chairman), DORIS DAWSON, KARL PRUSSIAN, [REDACTED], MIKE SHAPOVALOV, [REDACTED], [REDACTED], LOIS FULLER, LEONARD GRUMET, [REDACTED], FRANK SCHNEIDER, ESTHER GARDNER, [REDACTED], MARY WILSON, MARY ROSS, GERTRUDE ADLER, [REDACTED], an old couple whose names I don't know and a younger couple who seemed to be friends of the TRUEHAFTs and a man who comes often who wears a hearing aid, I forget his name, and the HARJUS. Two high school girls came in for a few minutes and left. After the meeting ALICE RICHARDS asked everyone to come to her house for ice cream and cake. Those who went were VALEDA BRYANT, the HARJUS, [REDACTED], MARY ROSS, MARY WILSON, [REDACTED], GERTRUDE ADLER, ESTHER GARDNER, OLIE MAYER (who came in late to the meeting). I went home with MARY ROSS and she told me that Mrs. TRUEHAFT had a rather unusual background which you must know but I was quite surprised. She had a sister who was a 'girl friend' of HITLER, another is married to Sir OSWALD MOSLEY and she is a relation of CHURCHILL. Her first husband was killed in the Spanish civil war and England sent a navy ship to get her out of Spain but she wouldn't leave. HARVEY RICHARDS is to be the speaker at the next meeting and will show films of Mexico. And talk about his trip."

Informant furnished other information covered in a separate memorandum.

some of what was going on. [] was telling them that it had not been correct to have ALLAN ISAKESSEN run for whatever office he is running for. It seems that he is being red-baited all ready but good. Just what is planned I am not sure, but I think they will soft pedal his campaign. I may hear more on Tuesday when I go to the county committee. All this was one of ELLIOTT's brain storms I think. ELLIOT was selling tickets for the south palo alto dem club party they are holding at Rickey's Sunday even, April 22. the Gateway Singers from the hungry i will be there.

"ED ROSS told me that he is moving south to Pasadena in a month. Got a job there. Plans to be there at least two years.

"[] was the last to leave and he told me that HELEN MANNING had been complaining to him that some of her group had been telling her that she was not a good mother neglected her home and was not considerate enough of CARL in view of his illness. That they did not ~~think~~ her youth work important. He thought it would be a good idea if he and I and HELEN and [] get together and talk it over. I agreed. I told him that I felt that she was not too good with her family and that [] certainly had reason for some of the things that HELEN said that she said. So we are to arrange a meeting at the tuesday nite meeting which will be at FRANCIS FINK's house on Tuesday the 17th."

Paragraph three of the above written report relates to the difficulties of HELEN MANNING. CARL mentioned in that paragraph is her husband. Informant furnished other information which is set out in a separate memo.

RECOMMENDATION: Follow the plans of ED ROSS to leave Palo Alto and move to Pasadena and attempt to determine his employment in Pasadena.

On 3/30/56 [redacted] furnished a written report
filed in [redacted]. Most of page 2 of this report
concerns ALLAN ISAKSEN and his obtaining Communist Party
authority to run for office on the Democratic Party
ticket. This portion of the report reads as follows:

b7D

"Elizabeth said that Elliot, Karl and Allan went
to the city and saw either [redacted] or Oleta I'm
not sure which. Anyway the long and short of it is that
Allan is going to file and run. I am not sure just
what he is running for, but he is running.....
Alos because he has to sign an oath he is out of the
party. He may come back in if he doesn't get elected.
I said that Isobel did not get out of the party when
she ran. This seemed to surprise Elizabeth.

b6
b7C

"You see where [redacted] landed....It was Elizabeth's
suggestion. It might be interesting but is not looked
forward to. [redacted] (husband in the
Hungry Eye) She told me that her husband was not in the
Party. She mentioned having meetings at her house
sometimes but she said when she was in the city that she
could not have them at her house because her husband
was not a member and that in the city it was a rule
that no meetings were held unless both husband and wife
were members.

Informant clarified the above report orally
as follows:

b6
b7C

Informant obtained this information from ELIZABETH (NICHOLAS) who is a member of the Executive Committee of the Communist Party, Santa Clara County. It was to the effect that ELLIOT (WILSON), KARL (PRUSSIAN) and ALLAN (ISAKSEN), during the week of March 29, 1956 visited [redacted] or OLETA (YATES) to obtain authorization for ISAKSEN to run as a Democratic Party candidate from the 18th District of California for Assemblyman. According to the informant he obtained this permission and is running for office but because he had to sign an oath he had to drop out of the Communist Party. Informant noted in this report that ISOBEL CERNEY had not dropped out of the party when she ran as Independent Progressive Party candidate for U. S. Senator. The last paragraph of this report beginning "You See Where [redacted] Landed" relates to [redacted] being placed in the Professional Club of the Communist Party, Santa Clara County. Reference to [redacted] is an error and informant stated she meant to say [redacted] Her husband is [redacted] and according to informant [redacted] is not presently in the Communist Party. Accordingly a copy of this is designated for his file. Other information furnished by this informant has been covered by separate memorandum.

RECOMMENDATION: No Investigation.

"[redacted] is a new transfer Elizabeth got from [redacted] today. Her address is [redacted] E. Palo Alto. I have to go to see her when I get back from the south. She is to go in the E. Palo Alto club.

"Her transfer reads:

This member has been a youth member in the Mission area of San Francisco. She has a solid working class back-ground and should have a future of good development in the vanguard movement.

It is recommended that she be seen, welcomed to the area and assigned to a club at an early date, and that she be helped to find her place in the working class and community life and activity.

In San Francisco, as a youth member, her organized participation in club like did not reach the place that it might have in the sense of regular, collective work, attendance, community interest, etc., due to 1 (the infrequency of youth attendance at clubs) 2 (poor connections from the area.)

This member comes from a fine progressive working-class family. Her husband is an important industrial worker.

There is a small child in the family that conceivably would heighten her interest in the community in that sense also. She is paid through September of 1955. She has paid the Southern Solidarity."

Informant furnished other information covered in a separate memorandum.

RECOMMENDATION: Open case file on [redacted] and recommend for Security Index in view of her present Communist Party membership which brings her within the criteria.
